PROJECT TITLE

- EMPLOYEE DATA ANALYSIS USING EXCEL

The background of the slide features a soft, multi-colored gradient that transitions from light pink at the top to light green in the middle, and then to a darker, muted green at the bottom. Scattered across this gradient are several realistic-looking water droplets of various sizes, some with highlights and shadows, giving them a three-dimensional appearance. The droplets are primarily located in the top-left, top-right, and bottom-right corners, with a few smaller ones in the middle-left area.
